**Brittany bee and the  
other worker bees.**

Have gathered up the  
pollen from the flowers.

It is time for Brittany  
Bee to take the pollen  
back.

It is time for Brittany  
Bee to take the pollen  
back.

Brittany Bee gets back  
to her hive.

She does the waggle  
dance!  
This dance tells other  
bees where the flowers  
are.

More bees go off to get  
more pollen.
